Minimum Grant Amount/Project	Planning – \$100,000 Implementation - \$250,000	\$250,000	\$250,000
Match Requirementⁱⁱ	25%	25%	25%

ⁱ Total funds available shown are approximate, after deducting administration and bond costs.

ⁱⁱ The match requirement may be waived or reduced for disadvantaged communities. For regional proposals/projects, the match requirement will only be waived for the disadvantaged community portion of the region. State funds may **not** be used to meet the match requirement, except by State Agencies. Only eligible reimbursable expenses incurred after adoption of the Guidelines and prior to the term of the grant agreement can be applied to the funding match.

ⁱⁱⁱ California Water Code, Section 79148.8(f) requires a match, outlined in a table formula, for the portion of the project consisting of capital costs for construction.
